| <b>Pull request:</b> <a href="https://github.com/foreman/foreman/pull/10117">https://github.com/foreman/foreman/pull/10117</a>                                      |                           |
| <b>Description</b>  |                           |
| foreman-console requires IRB in order to work as it uses rails console under the hood. This is not a hard requirement of railties which delivers the functionality. |                           |
