

Katello - Bug #37408

Fix typo for container_repository_name in metadata_generate_needed?

05/06/2024 07:25 PM - Ian Ballou

Status: Closed	
Priority: Normal	
Assignee: Ian Ballou	
Category: Repositories	
Target version: Katello 4.13.0	
Difficulty:	Fixed in Releases: Katello 4.13.0
Triaged: Yes	Found in Releases:
Bugzilla link:	Red Hat JIRA:
Pull request: https://github.com/Katello/katello/pull/10986	
Description https://github.com/katello/katello/blob/master/app/models/katello/root_repository.rb#L391 Says "container_repoitoy_name" -> there's a typo. I think metadata is still getting regenerated when the naming scheme changes, because you can re-pull the contents last I checked. However, this should be revisited.
