

Foreman - Bug #3791

Text fields lose focus when top menus expand

12/03/2013 10:54 AM - Dominic Cleal

Status: Closed	
Priority: Low

Pull request:	
Description	
A slight annoyance, but start on the new host page with a text field like the hostname highlighted, then move the mouse over one of the menus and the text box loses its focus. This is a bit of a pain when copy/pasting into fields etc.
