<b>Description</b>		
We have search bar for almost all features. I just compared it with other pages, and found that it is missing for usergroups.		
The version I'm using is: foreman-installer-1.4.0-0.develop.201312171100git39bac59.el6.noarch foreman-1.4.0-0.develop.201312191501gitf8e7098.el6.noarch foreman-release-1.4.0-0.develop.201312191501gitf8e7098.el6.noarch		
Request you to take a look and fix it, since it would be easier to find a usergroup via search then later update it.
