Foreman - Bug #4005

allow Rabl.render(object, 'something/show') to work

01/13/2014 05:04 PM - Thomas McKay

Pull request:			

Description

The json methods of models should call the rabl render. However, it seems that there are several issues preventing this:
1) Unsure, but are engine rabl view paths getting added?
2) foreman/config/initializers/rabl_init is depending on params and other controller attributes, preventing successful render
