This is for foreman-debug to upload the reports, I presume?

#3 - 04/28/2016 08:09 AM - Dominic Cleal

- *Status changed from New to Resolved*

I think so, it was filed at the same time [#3973](#) was merged. Since then, foreman-debug has its own package with a hard dependency on rsync (packaging commit 9b50bf6), so closing.
