Target version: Katello 2.0	
Difficulty:	Fixed in Releases:
Triaged: Yes	Found in Releases:
Bugzilla link:	Red Hat JIRA:
Pull request:	
Description	
<p>Using katello 1.4, create a product and click on its product name again. The screen will start loading again but will never complete. Reported by fang64 in #katello</p> <p>This does not appear to be an issue with mdp2 so it may have already been fixed in nightly. Need to test a production install to be sure.</p> <p><i>Created: jsherrill on November 20, 2013 20:47 +00:00</i> <i>Imported from https://api.github.com/repos/Katello/katello/issues/3415</i></p>
