

## Katello - Bug #4080

### Cannot access custom content with Candlepin 0.8.12

01/16/2014 05:47 PM - Katello Issue Migration

<b>Status:</b> Closed	
<b>Priority:</b> Normal	
<b>Assignee:</b>	
<b>Category:</b>	
<b>Target version:</b> Katello 2.0	
<b>Difficulty:</b>	<b>Fixed in Releases:</b>
<b>Triaged:</b> Yes	<b>Found in Releases:</b>
<b>Bugzilla link:</b>	<b>Red Hat JIRA:</b>
<b>Pull request:</b>	
<b>Description</b>	
<p>Candlepin added some content arch filtering logic and now clients can no longer access custom content. A new version of candlepin is being created to handle arches in a better way, so we need to wait for that, but will still need to make changes.</p>	
Steps to reproduce:	
Create a custom provider/product/repo Promote (within a Content view or not) to Dev register client to Dev subscribe to product run 'yum repolist'	
result: No repos displayed.
