

Foreman - Bug #4273

UI doesn't intelligently display oversized info

02/05/2014 09:03 PM - Brian Harrington

Pull request:		

Description

In the settings UI of the foreman web interface large values squash the UI and cause layout problems.

Using the example of "root_pass" setting the value to a sha 512 hash of "redhat":

\$6\$dt1FTGZ73aYvbWlu\$DJL61PaJ2mXbQGI77HXwHzvfNqPQLR66l4mG1IUg01H2A53OYd0EuL6DWzts59bMRdJilxT1fE2J7bANGzYo7/

Causes the interface to expand the size of the entire "value" column needlessly.
