Foreman - Bug #4333

multi-select.js is submitting disable items even if they are unselected

02/13/2014 10:14 AM - Joseph Magen

Description

I suggest to use the gem https://github.com/klenis/multi-select-rails
rather than putting jquery.multi-select.js in /vendor

However, it uses Jquery 1.8+ and Foreman currently uses 1.7.2
