

Katello - Bug #4875

Applicability regeneration failure stops content view publish/promotion

03/26/2014 04:27 PM - Justin Sherrill

Status:	Closed	Fixed in Releases: Found in Releases: Red Hat JIRA:
Priority:	Urgent	
Assignee:	Justin Sherrill	
Category:		
Target version:	Katello 2.0	
Difficulty:	easy	
Triaged:	Yes	
Bugzilla link:		
Pull request:		
Description		
Currently we are hitting a bug in pulp https://bugzilla.redhat.com/show_bug.cgi?id=1080648 that causes applicability generation to fail under certain situations.		
We need to ignore errors coming back from pulp with regard to this error for now until that is resolved.
