

Foreman - Bug #4932

Creating Compute Resource results in DB error

03/28/2014 02:46 AM - Mike McCune

Status: Duplicate	
Priority: High	
Assignee:	
Category: Compute resources	
Target version:	
Difficulty:	Fixed in Releases:
Triaged:	Found in Releases: Nightly
Bugzilla link:	Red Hat JIRA:
Pull request:	
Description - Make sure Organizations are enabled - Create a Compute Resource - Notice error: Warning! ERROR: duplicate key value violates unique constraint "compute_resources_pkey" If you feel this is an error with Foreman itself, please open a new issue with Foreman ticketing system, You would probably need to attach the Full trace and relevant log entries.

#4 - 03/30/2014 08:47 AM - Ohad Levy

can you confirm your database was copied using prod2dev rake task?

#5 - 03/30/2014 10:05 PM - Mike McCune

my database was a fresh install of the nightly build and definitely not upgraded or pre-existing from any prior version

#6 - 03/31/2014 07:23 AM - Dominic Cleal

- Status changed from Ready For Testing to Duplicate

- Assignee deleted (Joseph Magen)

[#4731](#) covers this adequately.
