

Foreman - Bug #4941

Unable to create new user in organization

03/28/2014 07:53 PM - Bryan Kearney

Status: Duplicate	
Priority: High	
Assignee: Joseph Magen	
Category:	
Target version:	
Difficulty:	Fixed in Releases:
Triaged:	Found in Releases:
Bugzilla link: 1082142	Red Hat JIRA:
Pull request:	
Description Cloned from https://bugzilla.redhat.com/show_bug.cgi?id=1082142 Description of problem: When trying to create new user in organization, I get Warning! too few arguments full trace: ArgumentError too few arguments app/controllers/users_controller.rb:20:in `create' app/models/concerns/foreman/thread_session.rb:33:in `clear_thread' lib/middleware/catch_json_parse_errors.rb:9:in `call' How reproducible: always/deterministic Steps to Reproduce: 1. select organization 2. Administer -> Users -> New User 3. Fill in data (... , authorized by INTERNAL, password) Actual results: warning, no user created Expected results: no warning, user created Additional info: <ul style="list-style-type: none">I also tried create new organization than ACME * had to enable locations * still does not workcreating user in no org context is possible * it is possible to then add user to org	
Related issues: Is duplicate of Katello - Bug #4757: Can't create a new user Closed 03/20/2014
