

Foreman - Bug #498

facts not displayed for openvz guests

12/08/2010 03:43 AM - Chris ECN

Status: Closed	
Priority: Normal	
Assignee: Ohad Levy	
Category: Importers	
Target version: 0.3	
Difficulty:	Fixed in Releases:
Triaged:	Found in Releases:
Bugzilla link:	Red Hat JIRA:
Pull request:	
Description	
My physical hosts show their facts correctly in foreman, however the openvz guests do not display facts at the following URLs:	
/hosts/ > Operating system, Environment, Model < These columns are blank	
/hosts/\$hostname > IP Address, Puppet Environment, Host Architecture, Host Operating System < these entries are blank	
If I select 'Facts' for one of these hosts, I see all of the facts correctly, however, they do not have a 'productname' fact	

History

#1 - 12/08/2010 04:24 AM - Ohad Levy

can you please upload an example fact file of an openvz machine?

#2 - 12/08/2010 04:35 AM - Chris ECN

- File *ldap-tp-01.ecntelecoms.za.net.yaml* added

I just wanted to confirm that I am having the same issue.

Please let me know if there is any additional information you would like about my setup.

Thanks,
Keith.

I've just had a look, and it seems that the latest git version solves this issue.

can you please give it a try and confirm?

thanks

#5 - 04/29/2011 10:40 AM - keith obrien

Confirm fix using git source. Nightly did not yet have the fix.

Thanks,
Keith.
