

Foreman - Bug #5404

Configuring Foreman_server issue

04/23/2014 10:25 AM - Shyam Goud

Status:	Rejected	
Priority:	Normal	
Assignee:		
Category:	Rails	
Target version:		
Difficulty:		Fixed in Releases:
Triaged:		Found in Releases: 1.4.2
Bugzilla link:		Red Hat JIRA:
Pull request:		
Description		
Seeing this issue while setting foreman_server.sh Error: Could not find class passenger		
Appreciate any kind of help.

- Status changed from New to Rejected

foreman_server.sh is actually a component of RDO or Red Hat OpenStack Platform (it's not clear to me which you're using), rather than Foreman. As far as I know, both currently use Foreman 1.3 rather than Foreman 1.4.2, so the script is slightly incompatible right now.

Please file a bug using https://bugzilla.redhat.com/enter_bug.cgi?product=RDO for RDO.
