<b>Description</b> <a href="https://github.com/Katello/katello/blob/master/app/controllers/katello/environments_controller.rb">https://github.com/Katello/katello/blob/master/app/controllers/katello/environments_controller.rb</a> has stale controller actions. Most of the UI code has moved to the v2 controllers. These need to get cleaned up to make permissions implementation better.
