fixes 562 - rake task of import of classes and environments in batch mode does not work reliably

#### History

##### #1 - 01/03/2011 02:43 PM - Ohad Levy

- File patch.diff added

##### #2 - 01/03/2011 02:49 PM - Marcello de Sousa

Just to make sure, the command used is:

```
RAILS_ENV=production /usr/bin/rake puppet:import:puppet_classes[batch]
```

And now I get the output:

```
Scheduled changes to your environment
New      environments :
Obsolete environments : myoldenvironment..
New      puppetclasses :
Obsolete puppetclasses : myoldclass...
```

without the prompt.
