- Status changed from New to Ready For Testing
- Target version set to 1.8.3

<https://github.com/foreman/foreman/pull/1432>

#4 - 05/13/2014 12:46 PM - Eric Helms

Steps to reproduce:

1. Create a new user and attach them to an organization
2. Save the user

3. Edit the user and set a default organization
4. Create a new role and give the user some simple permission
5. Log in as that user

#5 - 05/13/2014 03:23 PM - Lukas Zapletal

Update: You need to hit the API to reproduce this one.
