

## Katello - Bug #5665

### Manifests: UI says "Import in progress (running)" when deleting a manifest.

<b>Description</b> <a href="https://bugzilla.redhat.com/show_bug.cgi?id=1017344">https://bugzilla.redhat.com/show_bug.cgi?id=1017344</a>  Description of problem: When user deletes a manifest, they're given an import message... rather than one that tells them it's being removed.  Version-Release number of selected component (if applicable): Satellite-6.0.2-RHEL-6-20131007.0  How reproducible:  Steps to Reproduce: 1. Import manifest 2. Attempt to delete Manifest 3. Observe UI  Actual results:  Import in progress (running)  Expected results:  Manifest deletion in progress (running) (or something equivalent)  Additional info:
