

Foreman - Bug #5696

Migration of Admin users from 1.4 -> 1.5 results in "Role Name_username" roles that cannot be removed and cleaned up.

05/13/2014 03:25 PM - Derek Wright

Status:	Closed	Fixed in Releases: Found in Releases: 1.5.0 Red Hat JIRA:
Priority:	Normal	
Assignee:	Marek Hulán	
Category:	Users, Roles and Permissions	
Target version:	1.5.1	
Difficulty:		
Triaged:		
Bugzilla link:	1105570	
Pull request:		
Description		
Initially produced by exporting prod Foreman 1.4.2 DB into vagrant instance for upgrade testing. After upgrading vagrant instance to 1.5, users marked as Admin had migration roles created but no "Roles" tab under their username to clean up the old roles. Migration may need to skip users marked as "Admin" or, before migration, remove Admin role from users (other than the Foreman default user admin).

History

#1 - 05/13/2014 03:26 PM - Dominic Cleal

- Blocks Tracker #4552: New permissions/authorization system issues added

#2 - 05/13/2014 03:26 PM - Dominic Cleal

- Category set to DB migrations

#3 - 05/14/2014 01:18 PM - Derek Wright

Also another note, when setting Admin on an individual user after the Upgrade to 1.5, their roles tab is no longer available. There is no way (that I can see in the UI) to remove admin privs from that user afterwards.

#4 - 05/14/2014 03:04 PM - Marek Hulán

- Category changed from DB migrations to Users, Roles and Permissions

- Status changed from New to Assigned

- Assignee set to Marek Hulán

- Target version set to 1.8.3

The problem is that we don't display form in case when we try to edit another admin user or we try to edit our own profile. Which is definitely a bug because there is no way to modify admin's permissions/orgs/locs. It's not related to new permissions, this was added in <https://github.com/theforeman/foreman/pull/1191> not sure why yet. Is the correct behaviour to display it to anybody with :edit_users permission on a particular user maybe even if I'm editing myself?

#5 - 05/14/2014 03:21 PM - Marek Hulán

- Status changed from Assigned to Ready For Testing

If this is the case, here's PR <https://github.com/foreman/foreman/pull/1447>

#6 - 05/19/2014 12:39 PM - Anonymous

- Target version changed from 1.8.3 to 1.8.2

#7 - 05/27/2014 01:12 PM - Dominic Cleal

- translation missing: en.field_release set to 16

#8 - 05/27/2014 01:31 PM - Marek Hulán

- Status changed from Ready For Testing to Closed

- % Done changed from 0 to 100

Applied in changeset [78ccb98504de455dcfa113df52f54f890a511ec4](#).
