

Katello - Bug #5768

hammer: Title of content-host subcommands should be renamed from system to content host

05/16/2014 08:52 PM - Adam Price

Status: Closed	
Priority: Normal	
Assignee: Christine Fouant	
Category:	
Target version: Katello 2.0	
Difficulty:	Fixed in Releases:
Triaged: Yes	Found in Releases:
Bugzilla link: 1097604	Red Hat JIRA:
Pull request:	
Description	
Cloned from https://bugzilla.redhat.com/show_bug.cgi?id=1097604	
Description of problem: content-host subcommand's title still uses system. It should be renamed to content host. For ex:	
<pre>[root@dhcp201-170 ~]# hammer content-host --help Usage: hammer content-host [OPTIONS] SUBCOMMAND [ARG] ... Parameters: SUBCOMMAND subcommand [ARG] ... subcommand arguments Subcommands: create Register a system delete Unregister a system info Show a system list List systems tasks List async tasks for the system update Update system information</pre>	
The title of 'create' command should be renamed to "Register a content host"	
Version-Release number of selected component (if applicable): sat6 beta snap4:	
Satellite-6.0.3-RHEL-6-20140508.1

How reproducible:

Steps to Reproduce:

- 1.
- 2.
- 3.

Actual results:

Expected results:

Subcommands:

create	Register a content host
delete	Unregister a content host
info	Show a content host
list	List content host
tasks	List async tasks for the content-host
update	Update content host information
