

Katello - Bug #5769

Auto search should be available for adding packages to CV filters

05/16/2014 09:01 PM - Brad Buckingham

Status: Closed	
Priority: Normal	
Assignee: Eric Helms	
Category: Web UI	
Target version: Katello 2.0	
Difficulty:	Fixed in Releases:
Triaged: Yes	Found in Releases:
Bugzilla link: 1079181	Red Hat JIRA:
Pull request:	
Description Cloned from https://bugzilla.redhat.com/show_bug.cgi?id=1079181 Description of problem: Auto search should be available for adding packages to content-view filters. Currently we can add any package whether that exists or not.. Version-Release number of selected component (if applicable): snap4 How reproducible: always Steps to Reproduce: 1. create a CV 2. create cv filter of type package 3. while adding packages, no auto search available Actual results: no auto search available for adding packages to content-view Expected results: the package search should automatically complete the package name Additional info:
