Katello - Bug #5806

Sync task doesn't wait for all publish tasks before showing completion

05/20/2014 02:59 AM - Justin Sherrill

Status:	Closed		
Priority:	Normal

Pull request:			

Description

Currently the abstract_sync_task randomly waits for the first spawned task. it should actually wait for all them. The result is that sometimes katello may show complete as soon as the node distributor publish is finished, but not the yum distributor publish.
