Are they not already? I see a scoped_search definition in CommonParameter, or is this an STI issue like we hit before on taxonomies ([#4613](#) fixed but not reverted/updated)?

#2 - 05/21/2014 01:16 PM - Tomáš Strachota

- Status changed from New to Closed

You're right. I don't know where I got the feeling it doesn't work. I'm taking it back, sorry.
