

Katello - Bug #5946

Getting a 403 on the content search when hovering over packages

05/27/2014 03:37 PM - David Davis

Status: Closed	
Priority: Normal	
Assignee: Brad Buckingham	
Category: Web UI	
Target version: Katello 2.0	
Difficulty:	Fixed in Releases:
Triaged: Yes	Found in Releases:
Bugzilla link: 1102133	Red Hat JIRA:
Pull request:	
Description	
When I run a package search on the content search page and then hover over a package, it displays a tooltip with a spinner. Nothing happens and when I checked the js console, I see 403 errors. I think I have the correct perms as I'm a superadmin.
