Description

It is possible via hammer to associate gpg key belonging to a different org to product. This needs to be fixed.

Associated revisions

Revision 97a65ce1 - 06/03/2014 07:00 PM - Partha Aji

Fixes #6027 - Made product gpg update more secure

It is possible via api to associate gpg key belonging to a different
org to product.

This commit checks for gpg key readable + gpg key org association before
accepting the provided gpg key.

Revision 3a34f82a - 06/05/2014 02:20 PM - Partha Aji

Merge pull request #4198 from parthaa/product-gpg

Fixes #6027 - Made product gpg update more secure
