Pull request:			

Description

The timeout for passeneger needs to be updated. Please update

vi /usr/share/katello-installer/modules/apache/templates/mod/passenger.conf.erb

And add this line

```
PassengerStartTimeout 360
```

Right above the </IfModule>

Downstream bug: https://bugzilla.redhat.com/show_bug.cgi?id=1103224

In addition to that, I will make sure that Passenger preloads the Ruby environment first and never shutdown the last worker instance for better user experience (no more waiting until application is up).

Associated revisions

Revision 64234edf - 06/10/2014 09:45 AM - Lukas Zapletal

fixes #6036 - Timeout for passenger needs to be raised to avoid timeouts

and also made sure Passenger won't kill all worker instances.
