

## Foreman - Bug #6065

### Inverting the admin flag has no effect on menu cache

06/04/2014 04:02 PM - Greg Sutcliffe

<b>Status:</b> Closed	
<b>Priority:</b> Normal	
<b>Assignee:</b> Greg Sutcliffe	
<b>Category:</b> Web Interface	
<b>Target version:</b> 1.5.2	
<b>Difficulty:</b> easy	<b>Fixed in Releases:</b>
<b>Triaged:</b>	<b>Found in Releases:</b> 1.5.0
<b>Bugzilla link:</b> 1105251	<b>Red Hat JIRA:</b>
<b>Pull request:</b> <a href="https://github.com/foreman/foreman/pull/1495">https://github.com/foreman/foreman/pull/1495</a>	
<b>Description</b>	
<p>The TopbarSweeper cache clearing system only ever acts on User.current. This means if an admin toggles the admin flag on another user/group, that user's topbar does not refresh and show updated entries until the cache naturally times out (or is cleared with =foreman-rake tmp:cache:clear=).</p> <p>Steps to reproduce:</p> <ol style="list-style-type: none"><li>1. Create a user without admin flag or roles</li><li>2. In a separate browser session, log in with that user. =&gt; observe they can only see Hosts and Bookmarks</li><li>3. Create a user group, give it the admin flag, and assign the above user to it</li><li>4. Refresh the user's page</li></ol> <p>Expected results:</p> <p>The user can now see all menu entries on the topbar</p> <p>Actual result:</p> <p>The user still only sees Hosts and Bookmarks</p>
