

Foreman - Bug #6177

Setting host build flag via API doesn't clear facts and reports

06/11/2014 11:11 PM - Dominic Cleal

Status: Closed	
Priority: Normal	
Assignee: Dominic Cleal	
Category: API	
Target version: 1.5.2	
Difficulty:	Fixed in Releases:
Triaged:	Found in Releases:

Pull request:	
Description	
<p>When setting the build attribute on a host to true from the API (or CLI) doesn't clear facts and reports from the hosts. This differs from the UI as it calls Host::Managed#setBuild, while the API is just setting the attribute.</p> <p>The clear facts/reports might be best moved to the model when the attribute is changed, and the setBuild action on HostsController could just update the attribute.</p>
