Foreman - Bug #626

Safemode template rendering in Production mode does not show errors to the user

01/27/2011 04:53 PM - Justin Sherrill

Status:	Closed

Pull request:			

Description

If rails is running in production mode and an error is hit with the template rendering, the error will be printed to the logs, but not the screen. This would make it difficult for users to debug.

Associated revisions

Revision 5f24d903 - 02/01/2011 02:52 PM - Justin Sherrill

Fixes #626 - Render error directly in case of sandbox rendering, so can tell what went wrong
