

Katello - Bug #6439

Success notification should be raised while adding/removing packages to/from package filter

06/30/2014 09:10 AM - Brad Buckingham

Status:	Closed	
Priority:	Normal	
Assignee:	Brad Buckingham	
Category:	Web UI	
Target version:	Katello 2.0	
Difficulty:		Fixed in Releases:
Triaged:	Yes	Found in Releases:
Bugzilla link:	1094190	Red Hat JIRA:
Pull request:		

Description

Cloned from https://bugzilla.redhat.com/show_bug.cgi?id=1094190

Description of problem:

UI should raise success notification, while adding/removing packages to/from package filters.

Like on adding package, UI should raise notification: Package successfully added
and on removal: Package successfully removed.

UI raised similar notifications for package groups but not for packages.

How reproducible:
always

Steps to Reproduce:
1. create a package filter
2. add/remove packages to/from it
3.

Actual results:
no success notification raised on UI while adding/removing packages from/to package type filter

Expected results:
UI should raise success notification
