Description (Bugzilla: Bug 1113203) Description of problem: When creating a new organization, the focus should exist in the Name field upon page load, rather than requiring the user to click it. Version-Release number of selected component (if applicable): Satellite-6.0.3-RHEL-6-20140624.2 How reproducible: Steps to Reproduce: 1. Administer > Organizations > New Organization 2. start typing Actual results: No input because the focus does not by default exist on the UI in the name field. Expected results: Input should exist in name field on load, per most of the rest of the UI.
