

## Katello - Bug #6512

### firebug raises 404 on sync completion for missing notifications

07/07/2014 09:58 AM - Stephen Benjamin

<b>Status:</b> Closed	
<b>Priority:</b> Normal	
<b>Assignee:</b> Stephen Benjamin	
<b>Category:</b> Web UI	
<b>Target version:</b> Katello 2.0	
<b>Difficulty:</b> medium	<b>Fixed in Releases:</b>
<b>Triaged:</b> Yes	<b>Found in Releases:</b>
<b>Bugzilla link:</b> 1110371	<b>Red Hat JIRA:</b>
<b>Pull request:</b> <a href="https://github.com/Katello/katello/pull/4393">https://github.com/Katello/katello/pull/4393</a>	
<b>Description</b>	
Cloned from <a href="https://bugzilla.redhat.com/show_bug.cgi?id=1110371">https://bugzilla.redhat.com/show_bug.cgi?id=1110371</a>	
Description of problem: I synced 2 large repos ( rhel65 and rhel64), sync was completed but at the end of sync completion firebug raised NetworkError 404 not found	
"NetworkError: 404 Not Found - <a href="https://dhcp207-55.lab.eng.pnq.redhat.com/katello/notices/get_new">https://dhcp207-55.lab.eng.pnq.redhat.com/katello/notices/get_new</a> "	
production.log has following error:	
AbstractController::ActionNotFound (The action 'get_new' could not be found for NoticesController): lib/middleware/catch_json_parse_errors.rb:9:in `call'	
I'm assuming, its because of missing notification on sync status page.	
Version-Release number of selected component (if applicable): sat6 beta snap9 compose 2	
How reproducible: always	
Steps to Reproduce: 1. sync repo from sync status page 2. check firebug console on sync completion 3.	
Actual results: firebug raised NetworkError 404 not found	
"NetworkError: 404 Not Found - <a href="https://dhcp207-55.lab.eng.pnq.redhat.com/katello/notices/get_new">https://dhcp207-55.lab.eng.pnq.redhat.com/katello/notices/get_new</a> "	
Expected results:

fixes #6512 - move valid notices routes inside resources block

In Rails 3.2.8, it's not seeing the previous notice route `get_new` as being part of the engine. Moving inside a resource block fixes that problem. I also removed 2 routes that aren't valid and shouldn't exist anymore - `note_count` and `auto_complete_search`.

##### Revision a72a7472 - 07/14/2014 09:41 AM - Walden Raines

Merge pull request #4393 from stbenjam/6512-notices
