

Foreman - Bug #6540

With no datacenters, error should be shown when creating VMWare compute resource

07/09/2014 06:19 AM - Dominic Cleal

Category:	Compute resources - VMware	
Target version:	1.7.2	
Difficulty:		Fixed in Releases:
Triaged:		Found in Releases:
Bugzilla link:	1114860	Red Hat JIRA:
Pull request:	https://github.com/foreman/foreman/pull/1931	

Description

Cloned from https://bugzilla.redhat.com/show_bug.cgi?id=1114860

Description of problem:

Clicking "Load Datacenters" when creating VMWare compute resource complains: "String does not start with the prefix 'encrypted-', so Foreman::Model::Vmware VMWare-vCentre was not decrypted" and you can not save the compute resource. No error message is displayed.

Version-Release number of selected component (if applicable):

Satellite-6.0.3-RHEL-6-20140626.1

VMware-vCenter-Server-Appliance-5.5.0.10000-1624811_OVF10.ova + latest updates

How reproducible:

always

Steps to Reproduce:

1. Start VMware-vCenter-Server
2. Create compute profile with VMware provider, IP address set to vCenter server, user "root" and password "vmware" (credentials I use to connect to "VMware vCenter Server Appliance" webUI)
3. Click [Load Datacenters]

Actual results:

Nothing happens in webUI besides "Fingerprint" field being populated. Clicking on [Submit] do not save the compute resource

Expected results:

Either error message should appear or [Submit] should save the compute resource

Additional info:

```
> /var/log/foreman/production.log <
```

Processing by ComputeResourcesController#create as HTML

```
Parameters: {"utf8"=>"", "authenticity_token"=>"<token>", "compute_resource"=>{"name"=>"VMWare-vCentre", "provider"=>"Vmware", "description"=>"", "server"=>"<ip>", "user"=>"root", "password"=>"[FILTERED]", "set_console_password"=>"[FILTERED]", "location_ids"=>["", "2"], "organization_ids"=>["", "1"]}, "commit"=>"Submit"}
```

String does not start with the prefix 'encrypted-', so Foreman::Model::Vmware VMWare-vCentre was not decrypted

String does not start with the prefix 'encrypted-', so Foreman::Model::Vmware VMWare-vCentre was not decrypted

String does not start with the prefix 'encrypted-', so Foreman::Model::Vmware VMWare-vCentre was not decrypted

Failed to save: Datacenter can't be blank
