<b>Pull request:</b> <a href="https://github.com/foreman/foreman/pull/1584">https://github.com/foreman/foreman/pull/1584</a>	
<b>Description</b>	
Apologies if this is a dupe. It looks like the code won't let you delete a user if there's only 1 admin account. If you do, you get "Unable to delete the last admin account" even if the user you are trying to delete is not an admin.

#### Associated revisions

##### Revision 70966275 - 07/21/2014 10:51 AM - David Davis

Fixes #6606 - Allow deletion of non-admin users if 1 admin

When deleting users, you get an error message if there's only one admin account even if the users aren't admins.
