Description

Cloned from https://bugzilla.redhat.com/show_bug.cgi?id=1100235

Description of problem:

I'm not sure if it is expected or not but I can see multiple entries of 'Subscription status' under details of a foreman host provisioned by foreman itself. Please see the screenshot. I think there should be one entry that should link with subscription page.

How reproducible:
always

Steps to Reproduce:
1. provision a host via foreman
2. select host and see the details.
3.

Actual results:
multiple entries of subscription status

Expected results:
I think UI should show one line entry for 'Subscription Status'
