Pull request:	https://github.com/Katello/katello/pull/4459		

Description

There was a recent change to check permissions prior to loading bastion pages. It appears that some permissions were missed which affect the ability to load the Activation Keys and Content Views pages and possibly perform other actions.

For reference, the following is the PR where the changes were introduced:
https://github.com/Katello/katello/pull/4382

Associated revisions

Revision 85838bad - 07/18/2014 10:49 AM - Brad Buckingham

fixes #6690 / BZ 1111695 - content views & activation keys - fix bastion permission checking

The following PR introduced checking for permissions prior to loading
bastion pages; however, some changes were missed for content views
and activation keys:
https://github.com/Katello/katello/pull/4382

This commit addresses the issues that were observed.
