

Foreman - Feature #6732

[RFE] RAW Disk Mapping in VMware

07/22/2014 02:45 PM - Dustin Morgan

Status:	New	
Priority:	Normal	
Assignee:		
Category:	Compute resources - VMware	
Target version:		
Difficulty:		
Triaged:		
Bugzilla link:		
Pull request:		
Description		
Ability to use or even assign RAW Disk Maps when creating a VM which would be inherited from the computer profile's host cluster's storage device list.
