| Description | |
| Since AKs are scoped under organization, if organization is provided, the show action should search by both organization-id and id. | |

Associated revisions

Revision 767d304a - 07/24/2014 02:20 PM - dustin tsang

Fixes #6775 - AK show filters by index's params

This allows Activation Key's show action to filter by the same parameters that that the index action can filter by. The key issues is to allow activation-keys be able to be scoped by organization_id when it is passed in.

Revision 0aaf5ef3 - 07/24/2014 07:30 PM - dustin tsang

Merge pull request #4481 from dustint-rh/ak_filter_org_id_show

Fixes #6775 - AK show filters by index's params
