History

#1 - 07/30/2014 05:09 AM - Dominic Cleal

Admin users should have top bar cache cleared on org/location creation. At the moment, via [#6065](#), only users directly associated to a taxonomy have caches swept - this should also include User.only_admin.

<https://github.com/theforeman/foreman/blob/develop/app/models/taxonomy.rb#L127> is the issue, it should be (users + User.only_admin).uniq or something
