fixes #685 - records per page should be configurable

This patch adds a new setting how many records should be per page.

note that since the code is in the ActiveRecord::Base class, and that its in lib (e.g. loaded once) you would need to restart foreman everytime you change this value.

we could switch to require_dependency or other solutions if required.

History

#1 - 06/19/2011 04:08 AM - Ohad Levy

see a similar implementation for reports, maybe this could be generalized for all pages.

#2 - 07/18/2011 07:07 AM - Ohad Levy

- Category set to Web Interface
- Assignee set to Ohad Levy
- Target version set to 0.4

#3 - 07/18/2011 07:29 AM - Ohad Levy

- Status changed from New to Closed
- % Done changed from 0 to 100
