Foreman - Bug #6924

UI should throw proper validation error while updating some params with any random value(like utf-8 or -ve values)

08/05/2014 04:00 AM - Dominic Cleal

Priority: Normal Assignee: Ondrej Pražak Category: Settings Target version: 1.12.0 Difficulty: Fixed in Releases: Found in Releases: Found in Releases: Bugzilla link: 1128731 Pull request: https://github.com/theforeman/foreman/ Ultgage/ ultgage/ Obscription Control for problem: Control sed with the validation around the parameter those should contain a valid URL as a value or an IP address as a value. For earnale: I I'l update 'unattended_ur' parameter under provisioning tab with uff8 characters then UI throws error 'Value must be a valid URI'' Similarly, II update following params, with any value, UI doesn't raise any error: - - login_delegation_logout_uri : accepts all values (-ve value, null values, utf-8, latin-1, html etc) - - signo_uri: accepts all values (-ve value, null values, utf-8, latin-1, html etc) - - remote_addr: accepts all values (-ve value, null values, utf-8, latin-1, html etc) - - remote_addr: accepts all values (-ve value, null values, utf-8, latin-1, html etc) - - remote_addr: accepts all values (-ve value, null values, utf-8, latin-1, html etc) -<	Status:	Closed

Fixes #6924 - Additional validations for Setting

History

#1 - 08/05/2014 04:02 AM - Dominic Cleal

- Category set to Settings
- 1. the two URL settings should be part of the URI_ATTRS list so they get URL validation
- 2. trusted_puppetmaster_hosts I'm not much worried about, we only check if rDNS is in the list. Maybe it could be validated as an array of strings.
- 3. libvirt_default_console_address probably should permit hostnames as well as IPs, so I think it's OK.
- 4. remote_addr is a regexp, so is probably OK too.

#2 - 03/09/2016 03:15 AM - The Foreman Bot

- Status changed from New to Ready For Testing
- Assignee set to Ondřej Pražák
- Pull request https://github.com/theforeman/foreman/pull/3297 added

#3 - 03/14/2016 01:01 PM - Ondřej Pražák

- Status changed from Ready For Testing to Closed
- % Done changed from 0 to 100

Applied in changeset 7339369dc896aa9eb3c0bdc1af7992dd6268acfd.
