

Katello - Bug #6946

Update organization extensions to disallow modifying label

08/05/2014 03:24 PM - Brad Buckingham

Status: Closed	
Priority: Normal	
Assignee: Partha Aji	
Category:	
Target version: Katello 2.0	
Difficulty: easy	Fixed in Releases:
Triaged: Yes	Found in Releases:
Bugzilla link:	Red Hat JIRA:
Pull request: https://github.com/Katello/katello/pull/4647	
Description	
The current organization extensions will allow the user to modify the organization label attribute; however, this should be a read-only field, since changing it has negative implications on other aspects of the system (e.g. repo names).	
This issue is to update the organization model to disallow this.
