### History

#### #1 - 06/09/2011 03:26 PM - Jacob McCann

I just received this as well with foreman 0.3. My error was slightly different:

```
Processing EnvironmentsController#destroy (for ###.###.###.### at 2011-06-09 14:24:21) [DELETE]
```

Parameters: {"authenticity\_token"=>"YIGfIErFy9v+4nsVZFnmFGRrzwRIO48dQ0MpCEanwtg=", "id"=>"beta"}  
You may not destroy beta as it is in use!

```
