

Katello - Bug #7088

Errata - Date and Content filter does not maintain changes

08/14/2014 11:04 AM - Walden Raines

Status:	Closed	
Priority:	Normal	
Assignee:	Walden Raines	
Category:	Web UI	
Target version:	Katello 2.0	
Difficulty:		Fixed in Releases:
Triaged:	Yes	Found in Releases:
Bugzilla link:	1130224	Red Hat JIRA:
Pull request:	https://github.com/Katello/katello/pull/5025	

Description

Cloned from https://bugzilla.redhat.com/show_bug.cgi?id=1130224

If you make a change to an errata date and content filter and then navigate away and back your changes are not preserved even though they are actually saved. If you refresh the page the changes show up.

1. Create a content view
2. Select content view -> Content Tab -> Filters
3. Click +New Filter
4. Enter Name, Content Type -> Errata - Date and Type -> Include. Click Save. It goes to Erratum Date Range Tab
5. Check Security, Enhancement, Bug Fix
7. Enter Start Date and End Date
8. Click Save - I got the message "Updated errata filter - filter3"
9. Click on Affected Repositories tab
10. Click on Erratum Date Range Tab again - FAIL - Notice that the date is showing empty.

Associated revisions

Revision f7e76150 - 08/14/2014 11:05 AM - Walden Raines

Fixes #7088/BZ1130224: reload filter after saving date range errata.

After saving the rule it was being replaced by the previous value that was stored in the filter. This commit reloads the filter so that the rule is current.
