

Katello - Bug #7093

Hammer remove-sync-plan adds sync-plan instead of removing it

08/14/2014 12:40 PM - Adam Price

Status: Closed	
Priority: High	
Assignee: Adam Price	
Category: Hammer	
Target version: Katello 2.0	
Difficulty:	Fixed in Releases:
Triaged: Yes	Found in Releases:
Bugzilla link: 1121136	Red Hat JIRA:
Pull request: https://github.com/Katello/hammer-cli-katello/pull/222	
Description Cloned from https://bugzilla.redhat.com/show_bug.cgi?id=1121136 Description of problem: 1) afaik, product can have at most one syncplan assigned to itself 2) therefore I should be able to "hammer -d -v -u admin -p changeme product remove-sync-plan --id='95'" to remove any associated syncplan 3) in reality, error "(option '--sync_plan_id' is required)" is returned 4) if I supply valid sync-plan-id it is not removed, but set as the products sync-plan i.e: hammer -d -v -u admin -p changeme product remove-sync-plan --id='95' --sync-plan-id='14' actually sends: [INFO 2014-07-18 08:49:11 API] PUT /katello/api/products/95 [DEBUG 2014-07-18 08:49:11 API] Params: { "sync_plan_id" => "14" }
