<b>Description</b>	
<p>I'm running foreman 1.5.2 with the PR for <a href="#">#7035 (PR:1692)</a>.</p> <p>When I search for parts of a class name. For example: class ~ activemq I always get all hosts back. This is similar to <a href="#">#7035</a> except this ~ instead of =.</p> <p>The production log contains the following SQL:</p> <pre>Started GET "/hosts?utf8=%E2%9C%93&amp;search=class+%7E+activemq" for 192.168.233.119 at 2014-08-19 11:42:25 +0200 Processing by HostsController#index as HTML   Parameters: {"utf8"=&gt;"", "search"=&gt;"class ~ activemq"}   User Load (0.2ms)  SELECT `users`.* FROM `users` WHERE `users`.`id` = 1 LIMIT 1 Setting current user thread-local variable to admin   Host::Managed Load (0.3ms)  SELECT `hosts`.* FROM `hosts` WHERE `hosts`.`type` IN ('Host::Managed') LIMIT 1     (0.2ms)  SELECT COUNT(*) FROM `user_facts` WHERE `user_facts`.`user_id` = 1   Host::Managed Load (0.4ms)  SELECT `hosts`.* FROM `hosts` WHERE `hosts`.`type` IN ('Host::Managed') ORDER BY `hosts`.`name` ASC LIMIT 20 OFFSET 0   Operatingssystem Load (0.3ms)  SELECT `operatingsystems`.* FROM `operatingsystems` WHERE `operatingsystems`.`id` IN (1, 2) ORDER BY operatingsystems.name   Environment Load (0.3ms)  SELECT `environments`.* FROM `environments` WHERE `environments`.`id` IN (6, 5) ORDER BY environments.name   Model Load (0.2ms)  SELECT `models`.* FROM `models` WHERE `models`.`id` IN (1) ORDER BY models.name     (0.3ms)  SELECT MAX(`reports`.`id`) AS maximum_id, host_id AS host_id FROM `reports` WHERE `reports`.`host_id` IN (2, 3, 4, 5) GROUP BY host_id   Rendered hosts/_list.html.erb (24.8ms)   Rendered hosts/index.html.erb within layouts/application (28.7ms)   Bookmark Load (0.4ms)  SELECT `bookmarks`.* FROM `bookmarks` WHERE (((bookmarks.public = 1) OR (bookmarks.owner_id = 1 AND bookmarks.owner_type = 'User')) AND (controller = 'hosts')) ORDER BY name   Rendered common/_searchbar.html.erb (6.2ms)   Rendered home/_user_dropdown.html.erb (1.7ms) Read fragment views/tabs_and_title_records-1 (95.0ms)   Rendered home/_topbar.html.erb (98.0ms)   Rendered layouts/base.html.erb (99.8ms) Completed 200 OK in 153ms (Views: 136.0ms   ActiveRecord: 2.6ms)</pre>	

#### History

#1 - 08/21/2017 07:54 AM - Tomer Brisker

- Status changed from New to Resolved

Tested with current develop (1.16). this works correctly.
