

Katello - Refactor #7148

Add validates_lengths_from_database

08/19/2014 08:41 AM - David Davis

Status: Resolved	
Priority: Low	
Assignee:	
Category:	
Target version: Katello Recycle Bin	
Branch:	Pull request:
Difficulty: medium	Fixed in Releases:
Triaged:	Found in Releases:
Bugzilla link:	Red Hat JIRA:
Description See https://github.com/theforeman/foreman/pull/1593 . Currently, I think we check field sizes manually (validates_length) but it would be nice to have this gem handle it for us.
