Katello - Bug #7216

Looks like the product options are missing for listing puppet modules by repo

08/21/2014 03:06 PM - David Davis

Pull request:			

Description

Here are the options for puppet-module list in the CLI:

```
Options:
    --content-view CONTENT_VIEW_NAME Content view name
    --content-view-id CONTENT_VIEW_ID content view numeric identifier
    --environment ENVIRONMENT_NAME Name to search by
    --environment-id ENVIRONMENT_ID
    --organization ORGANIZATION_NAME Organization name to search by
    --organization-id ORGANIZATION_ID
    --organization-label ORGANIZATION_LABEL Organization label to search by
    --repository REPOSITORY_NAME  Repository name to search by
    --repository-id REPOSITORY_ID repository ID
    -h, --help                   print help
```

There probably should be some product options too.

History

#1 - 08/25/2014 08:33 AM - Eric Helms

- Difficulty set to easy

- Triaged changed from No to Yes

#2 - 12/21/2015 03:31 PM - Eric Helms

- translation missing: en.field_release set to 86

#3 - 02/16/2016 09:26 PM - Eric Helms

- translation missing: en.field_release changed from 86 to 114

#4 - 08/28/2019 07:23 PM - John Mitsch

- Status changed from New to Closed

Thanks for reporting this issue. This issue was created over 4 years ago and hasn't seen an update in 1 year. We are closing this in an effort to keep a realistic backlog. Please open up a new issue that includes a link to this issue if you feel this still needs to be addressed. We can then triage the new issue and reassess.
