

Foreman - Bug #7222

a user should be prevented from creating a role filter that exceeds their own filters

08/21/2014 03:46 PM - Thomas McKay

Status: Rejected	
Priority: Normal	
Assignee: Shimon Shtein	
Category: Users, Roles and Permissions	
Target version:	
Difficulty:	Fixed in Releases:
Triaged:	Found in Releases:
Bugzilla link: 1132684	Red Hat JIRA:
Pull request: https://github.com/theforeman/foreman/pull/3312	
Description	
A user with limited filters should not be able to create new filters that exceed their own. For example, a user with no host filters can currently still create a new role and filter on hosts.
